**Girl in Translation** by Jean Kwok 2010

Emigrating with her mother from Hong Kong to Brooklyn, Kimberly Chang begins a secret double life as an exceptional schoolgirl during the day and sweatshop worker at night, an existence also marked by a first crush and the pressure to save her family from poverty. A first novel. (General fiction).

**Girl in Translation** by Jean Kwok 2010-04-29

From the author of Searching for Sylvie Lee, the iconic, New York Times-bestselling debut novel that introduced an important Chinese-American voice with an inspiring story of an immigrant girl forced to choose between two worlds and two futures. When Kimberly Chang and her mother emigrate from Hong Kong to Brooklyn squalor, she quickly begins a secret double life: exceptional schoolgirl during the day, Chinatown sweatshop worker in the evenings. Disguising the more difficult truths of her life—like the staggering degree of her poverty, the weight of her family's future resting on her shoulders, or her secret love for a factory boy who shares none of her talent or ambition—Kimberly learns to constantly translate not just her language but herself back and forth between the worlds she straddles. Through Kimberly's story, author Jean Kwok, who also emigrated from Hong Kong as a young girl, brings to the page the lives of countless immigrants who are caught between the pressure to succeed in America, their duty to their family, and their own personal desires, exposing a world that we rarely hear about. Written in an indelible voice that dramatizes the tensions of an immigrant girl growing up between two cultures, surrounded by a language and world only half understood, Girl in Translation is an unforgettable and classic novel of an American immigrant—a moving tale of hardship and triumph, heartbreak and love, and all that gets lost in translation.

**Mambo in Chinatown** by Jean Kwok 2014-06-24

From the bestselling author of Searching for Sylvie Lee and Girl in Translation, a novel about a young woman torn between her family duties in Chinatown and her escape into the world of ballroom dancing. Twenty-two-year-old Charlie Wong grew up in New York's Chinatown, the older daughter of a Beijing ballerina and a noodle maker. Though an ABC (America-born Chinese), Charlie's entire world has been limited to this small area. Now grown, she lives in the same tiny apartment with her widower father and her eleven-year-old sister, and works—miserably—as a dishwasher. But when she lands a job as a receptionist at a ballroom dance studio, Charlie gains access to a world she
hardly knew existed, and everything she once took to be certain turns upside down. Gradually, at the dance studio, awkward Charlie's natural talents begin to emerge. With them, her perspective, expectations, and sense of self are transformed—something she must take great pains to hide from her father and his suspicion of all things Western. As Charlie blossoms, though, her sister becomes chronically ill. As Pa insists on treating his ailing child exclusively with Eastern practices to no avail, Charlie is forced to try to reconcile her two selves and her two worlds—Eastern and Western, old world and new—to rescue her little sister without sacrificing her newfound confidence and identity.

**Lost in Translation: A Life in a New Language**-Eva Hoffman 2019-07-31

The late poet and memoirist Czeslaw Milosz wrote, "I am enchanted. This book is graceful and profound." Since its publication in 1989, many other readers across the world have been enchanted by Lost in Translation: A Life in a New Language, a classic of exile and immigrant literature, as well as a girl's coming-of-age memoir. Lost in Translation moves from Hoffman's childhood in Cracow, Poland to her adolescence in Vancouver, British Columbia to her university years in Texas and Massachusetts to New York City, where she becomes a writer and an editor at the New York Times Book Review. Its multi-layered narrative encompasses many themes: the defining power of language; the costs and benefits of changing cultures, the construction of personal identity, and the profound consequences, for a generation of post-war Jews like Hoffman, of Nazism and Communism. Lost in Translation is, as Publisher's Weekly wrote, "a penetrating, lyrical memoir that casts a wide net," challenges its reader to reconsider their own language, autobiography, cultures, and childhoods. Lost in Translation was first published in the United States in 1989. Hoffman's subsequent books of literary non-fiction include Exit into History, Shtetl, After Such Knowledge, Time and two novels, The Secret and Appassionata. "Nothing, after all, has been lost; poetry this time has been made in and by translation." — Peter Conrad, The New York Times

The Girl Who Reads on the Métro - Christine Féret-Fleury 2019-10-08

"With a cast of characters reminiscent of the French film Amélie, Féret-Fleury creates a world that is delightful and enchanting...Light and sweet as a bonbon, this little confection of a book is delicious." — Kirkus Reviews For fans of Amélie and The Little Paris Bookshop, a modern fairytale about a French woman whose life is turned upside down when she meets a reclusive bookseller and his young daughter. Juliette leads a perfectly ordinary life in Paris, working a slow office job, dating a string of not-quite-right men, and fighting off melancholy. The only bright spots in her day are her métro rides across the city and the stories she dreams up about the strangers reading books across from her: the old lady, the math student, the amateur ornithologist, the woman in love, the girl who always tears up at page 247. One morning, avoiding the office for as long as she can, Juliette finds herself on a new block, in front of a rusty gate wedged open with a book. Unable to resist, Juliette walks through, into the bizarre and enchanting lives of Soliman and his young daughter, Zaide. Before she realizes entirely what is happening, Juliette agrees to become a passeur, Soliman's name for the booksellers he hires to take stacks of used books out of his store and into the world, using their imagination and intuition to match books with readers. Suddenly, Juliette's daydreaming becomes her reality, and when Soliman asks her to move in to their store to take care of Zaide while he goes away, she has to decide if she is ready to throw herself headfirst into this new life. Big-hearted, funny, and gloriously zany, The Girl Who Reads on the Métro is a delayed coming-of-age story about a young woman who dares to change her life, and a celebration of the power of books to unite us all.

Truth in Translation - Jason BeDuhn 2003 Truth in Translation is a critical study of Biblical translation, assessing the accuracy of nine English versions of the New Testament in wide use today. Monkey Bridge - Lan Cao 1998-06-01 Hailed by critics and writers as powerful, important fiction, Monkey Bridge charts the unmapped territory of the Vietnamese American experience in the aftermath of war. Like navigating a monkey bridge—a bridge, built of spindly bamboo, used by peasants for centuries—the narrative traverses perilously between worlds past and present, East and West, in telling two interlocking stories: one, the Vietnamese version of the classic immigrant experience in America, told by a young girl; and the second, a dark tale of betrayal, political intrigue, family secrets, and revenge—her mother's tale. The haunting and beautiful terrain of Monkey Bridge is the "luminous motion," as it is called in Vietnamese myth and legend, between generations, encompassing Vietnamese lore, history, and dreams of the past as well as of the future. "With incredible lightness, balance and elegance," writes Isabel Allende, "Lan Cao crosses over an abyss of pain, loss, separation and exile, connecting on one level the opposite realities of Vietnam and North America, and on a deeper level the realities of the material world and the world of the spirits." • Quality Paperback Book Club Selection and New Voices Award nominee • A Kiriyama Pacific Rim Award Book Prize nominee

The Only Girl in the World-Maude Julien 2017-12-12 AN AMAZON BEST BOOK OF THE MONTH. For readers of Room and The Glass Castle, an astonishing memoir of one woman rising above an unimaginable childhood. Maude Julien's parents were fanatics who believed it was their sacred duty to turn her into the ultimate survivor--raising her in isolation, tyrannizing her childhood and subjecting her to endless drills designed to "eliminate weakness." Maude learned to hold an electric fence for minutes without flinching, and to sit perfectly still in a rat-infested cellar all night long (her mother sewed bells onto her clothes that would give her away if she moved). She endured a life without heat, hot water, adequate food, friendship, or any kind of affectionate treatment. But Maude's parents could not rule her inner life. Befriending the animals on the lonely estate as well as the characters in the novels she read in secret, young Maude nurtured in herself the compassion and love that her parents forbid as weak. And when, after more than a decade, an outsider managed to penetrate her family's paranoid world, Maude seized her opportunity. By turns horrifying and magical, The Only Girl in the World is a story that will grip you from the first page and leave you spellbound, a chilling exploration of psychological control that ends with a glorious escape.

Propertius in Love- Sextus Propertius 2002-06-03 These ardent, even obsessed, poems about erotic passion are among the brightest jewels in the crown of Latin literature. Written by Propertius, Rome’s greatest poet of love, who was born around 50 b.c., a contemporary of Ovid, these elegies tell of Propertius’ tormented relationship with a woman he calls "Cynthia." Their connection was sometimes blissful, more often agonizing, but as the poet came to recognize, it went beyond pride or shame to become the defining event of his life. Whether or not it was Propertius’ explicit intention, these elegies extend our ideas of desire, and of the human condition itself.

Dogeaters- Jessica Hagedorn 2013-08-06 Finalist for the National Book Award and a 2015 Wall Street Journal Book Club selection: An intense portrait of the Philippines in the late 1950s. Dogeaters follows a diverse set of characters through Manila, each exemplifying the country’s sharp distinctions between social classes. Celebrated novelist and playwright Jessica Hagedorn effortlessly shifts from the capital’s elite to the poorest of the poor. From the country’s president and first lady to an idealist reformer, from actors and radio DJs to prostitutes, seemingly unrelated lives become intertwined.

Lost in Translation- Nicole Mones 2007-12-18 A novel of searing intelligence and startling originality, Lost in Translation heralds the debut of a unique new voice on the literary landscape. Nicole Mones creates an unforgettable story of love and desire, of family ties and human conflict, and of one woman’s struggle to lose herself in a foreign land—only to discover her home, her heart, herself. At dawn in Beijing, Alice Mannegan pedals a bicycle through the deserted streets. An American by birth, a translator by profession, she spends her nights in Beijing’s smoke-filled bars, and the Chinese men she so desires never misunderstand her intentions. All around her rushes the air of China, the scent of history and change, of a world where she has come to escape her father’s love and her own pain. It is a world in which, each night as she slips from her hotel, she hopes to lose herself forever. For Alice, it began with a phone call from an American archaeologist seeking a translator. And it ended in an intoxicating journey of the heart—one that would plunge her into a nation’s past, and into some of the most rarely glimpsed regions of China. Hired by an archaeologist searching for the bones of Peking Man, Alice joins an expedition that penetrates a vast, uncharted land and brings Professor Lin Shiyang into her life. As they draw closer to unearthing the secret of Peking Man, as the group’s every move is followed, their every whisper recorded, Alice and Lin find shelter in each other, slowly putting to rest the ghosts of their pasts. What happens between them becomes one of the most breathtakingly erotic love stories in recent fiction. Indeed, Lost in Translation is a novel about love—between a nation and its past, between a man and a memory, between a father and a daughter. Its powerful impact confirms the extraordinary gifts of a master storyteller, Nicole Mones.

The Butterfly Mosque: A Young American Woman's Journey to Love and Islam-G. Willow Wilson 2010-06-01 “In this satisfying, lyrical memoir,” an American woman discovers her true faith—and true love—by converting to Islam and moving to Egypt (Publishers Weekly). Raised in Boulder, Colorado, G. Willow Wilson moved to Egypt and converted to Islam shortly after college. Having written extensively on modern religion and the Middle East in publications such as The Atlantic Monthly and The New York Times Magazine, Wilson now shares her remarkable story of finding faith, falling in love, and marrying into a traditional Islamic family in this “intelligently written and passionately rendered memoir” (The Seattle Times, 27 Best Books of 2010). Despite her atheist upbringing, Willow always felt a connection to god. Around the time of 9/11, she took an Islamic Studies course at Boston University, and found the teachings of the Quran astounding, comforting, and profoundly transformative. She decided to risk everything to convert to Islam, embarking on a journey across continents and into an uncertain future. Settling in Cairo where she taught English, she soon met and fell in love with Omar, a passionate young man with a mild resentment of the Western influences in his homeland. Torn between the secular West and Muslim East, Willow—with her shock of red hair, shaky Arabic, and Western candor—struggled to forge a “third culture” that might accommodate her values as well as her friends and family on both sides of the divide. Part travelogue, love story, and memoir, “Wilson has written one of the most beautiful and believable narratives about finding closeness with God” (The Denver Post).

Gang Leader for a Day-Sudhir Venkatesh 2008-01-10 A New York Times Bestseller Foreword by Stephen J. Dubner, coauthor of Freakonomics When first-year graduate student Sudhir Venkatesh walked into an abandoned building in one of Chicago's most notorious housing projects, he hoped to find a few people willing to take a multiple-choice survey on urban poverty--and impress his professors with his boldness. He never imagined that as a result of this assignment he would befriend a gang leader named JT and spend the better part of a decade embedded inside the projects under JT's protection. From a privileged position of unprecedented access, Venkatesh observed JT and the rest of his gang as they operated their crack-selling business, made peace with their neighbors, evaded the law, and rose up or
fell within the ranks of the gang’s complex hierarchical structure. Examining the morally ambiguous, highly intricate, and often corrupt struggle to survive in an urban war zone, Gang Leader for a Day also tells the story of the complicated friendship that develops between Venkatesh and JT--two young and ambitious men a universe apart. "Riveting."—The New York Times "Compelling... dramatic... Venkatesh gives readers a window into a way of life that few Americans understand."—Newsweek "An eye-opening account into an underserved city within the city."—Chicago Tribune "The achievement of Gang Leader for a Day is to give the dry statistics a raw, beating heart."—The Boston Globe "A rich portrait of the urban poor, drawn not from statistics but from vivid tales of their lives and his, and how they intertwined."—The Economist "A sensative, sympathetic, unpatronizing portrayal of lives that are usually ignored or lumped into ill-defined stereotype."—Financial Times Sudhir Venkatesh’s latest book Floating City: A Rogue Sociologist Lost and Found in New York’s Underground Economy—a memoir of sociological investigation revealing the true face of America’s most diverse city—is also published by Penguin Press.

Through Tom and Harry, Nathan's world gradually broadens to include a new set of acquaintances—not to mention a stray relative or two—and leads him to a reckoning with his past. Among the many twists in the delicious plot are a scam involving a forgery of the first page of The Scarlet Letter, a disturbing revelation that takes place in a sperm bank, and an impossible, utopian dream of a rural refuge. Meanwhile, the wry and acerbic Nathan has undertaken something he calls The Book of Human Folly, in which he proposes "to set down in the simplest, clearest language possible an account of every blunder, every pratfall, every embarrassment, every idiocy, every foible, and every inane act I had committed during my long and checkered career as a man." But life takes over instead, and Nathan’s despair is swept away as he finds himself more and more implicated in the joys and sorrows of others. The Brooklyn Follies is Paul Auster's warmest, most exuberant novel, a moving and unforgettable hymn to the glories and mysteries of ordinary human life.

The Girl in the Tree-Şebnem İşigüzel 2020-03-17 From an award-winning Turkish novelist comes a powerful English-language debut about a girl's coming of age amid violent unrest--and her unexpected escape. A young woman climbs the tallest tree in Istanbul's centuries-old Gülhane Park, determined to live out the rest of her days there. Perched in an abandoned stork's nest in a sanctuary of branches and leaves, she tries to make sense of the rising tide of violence in the world below. Torn between the desire to forget all that has happened and the need to remember, her story, and the stories of those around her, begins to unfold. Then, unexpectedly, comes a soul mate with a shared destiny. A lonely boy working at a nearby hotel looks up and falls in love. The two share stories of the fates of their families, of a changing city, and of their political awakenings in the Gezi Park protests. Together, they navigate their histories of love and loss, set against a backdrop of societal tension leading up to the tragic bombing that marked a turn in Turkey's democracy--and sent a young girl fleeing into the trees. Narrated by one of the most unforgettable characters in contemporary
fiction—as full of audacious humor and irony as she is of rage and grief—this unsparing and poetic novel of political madness, precarious dreams, and the will to survive brilliantly captures a girl's road to defiance in a world turned upside down, in which it is only from the treetops that she can find a grip on reality—and the promise of hope.

When I Was Puerto Rican-Esmeralda Santiago 2006-02-28 Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

A Single Swallow-Zhang Ling 2020-09-15 The eagerly awaited English translation of award-winning author Zhang Ling's epic and intimate novel about the devastation of war, forgiveness, redemption, and the enduring power of love. On the day of the historic 1945 Jewel Voice Broadcast—in which Emperor Hirohito announced Japan's surrender to the Allied forces, bringing an end to World War II—three men, flush with jubilation, made a pact. After their deaths, each year on the anniversary of the broadcast, their souls would return to the Chinese village of their younger days. It's where they had fought—and survived—a war that shook the world and changed their own lives in unimaginable ways. Now, seventy years later, the pledge is being fulfilled by American missionary Pastor Billy, brash gunner's mate Ian Ferguson, and local soldier Liu Zhaohu. All that's missing is Ah Yan—also known as Swallow—the girl each man loved, each in his own profound way. As they unravel their personal stories of the war, and of the woman who touched them so deeply during that unforgiving time, the story of Ah Yan's life begins to take shape, woven into view by their memories. A woman who had suffered unspeakable atrocities, and yet found the grace and dignity to survive, she'd been the one to bring them together. And it is her spark of humanity, still burning brightly, that gives these ghosts of the past the courage to look back on everything they endured and remember the woman...
they lost.

No Heaven for Good Boys - Keisha Bush 2021-01-13

"Marabout Ahmed, is a highly regarded Koranic teacher who runs a religious school for young boys in the capital city where Ibrahimah is sent to join his cousin Etienne to study for a year—the local custom for many families. Six-year-old Ibrahimah loves swiping pastries from his mother’s kitchen, harvesting green beans with his father, and racing down to the beach after the mosque in search of sea glass with his sisters. But when he is approached in his rural village one day by a seemingly kind stranger, the tides of his life turn forever. Unbeknownst to Ibrahimah’s parents, rather than teaching the boys, Marabout sends them out to beg in the streets in order to line his pockets. To make it back home alive, Etienne and Ibrahimah must help one another survive both the dangers posed by Marabout, and the myriad threats of the city: black market organ traders, rival packs of boys from other daaras, and mounting student protest on the streets. Transporting us between rural and urban Senegal, No Heaven for Good Boys shows the strength that can emerge when one has no other choice but to survive. Drawn from real incidents in metropolitan Senegal, No Heaven for Good Boys is provocative, finely rendered, and hauntingly urgent—an extraordinary debut novel that locates the universal through the story of two boys caught in the terrible sweep of history"—
